Dear Parents / Guardians

NEWSLETTER – May 2022

BLESSED 98th FOUNDERS' DAY

On 25th March 2022, we came together as a GMS(P) family to celebrate 98th Founders' Day. This would not be possible without the contribution of many of you and your children.

LIGHTS, CAMERA, ACTION

This year, 6 children from 3 PSG families came together with GMS(P) staff and students to put up the video for the school's celebration. Did you spot them then? Well, we believe that there are many of you out there who can contribute in the next video for the coming 99th and 100th celebration and the many-to-come anniversaries. We look forward to students and parents joining the fun in future.

9.8KM VIRTUAL RACE CHALLENGE

This year with the School, PSG participated in the Virtual 9.8KM Challenge. We are glad to have met some families while walking along the suggested routes. We were also blessed by the generosity of sponsorship, where families were blessed with a tote bag and goodies.

For those of us who has missed it, don't worry. There will be more PSG's activities coming soon for the months ahead.

INAUGURAL OF GARDENING AFTER SMM EASING

The gardening community is able to kick-off on a beautiful Friday morning. We are blessed to welcome PVs who took time to join us. We had our mini tour around the school's garden and the mummies can't wait to have their hands-on experience in the garden! And look, they have successfully completed their first 'Farm-to-Table' activities! Well done, mummies!

EARTH'S DAY

Let's not forget about 'Earth's Day', a 2-day event held on 22 & 23 April. Thank you to the PVs who have made learning come alive and extend beyond the classroom for the students. This event had been a fruitful experience for every student in GMS(P).

We hope that these activities will provide opportunities for more bonding sessions with your children in school.

To Act Justly, Love Mercy and Walk Humbly cannot be something we try on our own to achieve. It can only happen when we put our hands and hearts together as a big GSM(P) Family.
